

Patient Information for MRI Enterography

Please arrive 30 minutes prior to your appointment time.

- * Nothing to eat or drink for six (6) hrs before the scan.
- * Sips of water in the early morning only.
- * Please continue with prescribed medication.
- * 1.5 hours before the scan drink the first bottle of Volumen solution
- * 40 mins before the scan drink the second bottle of Volumen solution
- * 20 mins before the scan drink the third bottle of Volumen solution

During the examination we may need to administer contrast into a vein in your arm. This will be discussed when making your appointment and/or at the time of your procedure.

It is important to bring any previous x-rays or scans to your appointment.

If you have any questions regarding this appointment please do not hesitate to contact us on (09) 6235858.

We look forward to seeing you.

Kind Regards

MRI Department
